

“Little Researchers Workshop: I Want to Know Everything” for preschool-aged children at the VIZIUM Science Center.

Foto autors Ventspils Photo Archive

Preschool-aged children have the opportunity to participate in the “Little Researchers Workshops”, where, by playing games, having fun, and engaging in various exciting activities with cheerful instructors, they will not only have a great time but also acquire new skills and knowledge.

With the help of digital technology, children will solve interesting tasks, develop their thinking, attention, and the ability to meaningfully and educationally use tablets.

The registration form can be found [here](#).
