Composer and guitarist Kaspars Zemītis invites the audience to his concerts, where he will perform together with his family. "This time, in the concert 'Kaspars Zemītis and Sons,' I will be playing with my entire family – my sons Kārlis, Mārtiņš, Jēkabs, and my wife Anda," says the musician.

In the concert program, the Zemītis family will perform original songs from their new album "I Only Have One Heart," as well as the best tracks that have already captured the hearts of listeners – both in Kaspars' guitar solo performances, and in duet with the wonderful soprano Anda Zemīte, as well as in collaboration with "energetic, talented sons," who represent well-known "values" – Mārtiņš with the band "Sudden Lights," Kārlis with the band "Pirmais Kurss," and Jēkabs with the Riga Cathedral Boys' Choir School," says Kaspars Zemītis.
