

Splendid New Year's party in the Cultural Centre

Ventspils Cultural Centre invites you to welcome the year 2023 in a splendid and fun New Year's party. Be prepared to dance your feet off to the music of the energetic boys of the band "Tirkizband" and DJ Lācis. The well-known improviser and TV host Margers Majors will create fun atmosphere with a touch of spicy humour.

On the New Year's eve, the party will start at 10:00 PM in both halls with surprises, positive emotions, dances, and popping of champagne. The Jelgava-based band "Tirkizband" gave its first performance in Ventspils in the Midsummer Night party in the park "Reņķa dārzs", after which the *social networks* were flooded with compliments, especially from girls. The musicians will not disappoint the visitors this time either. It should be noted that the band has been performing for 10 years now and includes positive and professional musicians who stand out with their vigorous style. "Tirkizband" composes original music and performs other well-known songs – from rock to popular Latvian songs and world ballads.

In the Disco Hall, the well-known DJ Lācis will create a wonderful atmosphere, playing world and Latvian hits. In the course of the evening, the visitors will be pleasantly surprised by the performances of "Deltalivik Show".
