

Exhibition “Time Signs” by the Art School students will be opened

On Tuesday, 6 December, at 16.00 o'clock, an exhibition “Time Signs” of design works created by Ventspils Art School students will be opened at Ventspils House of Crafts. The exhibition will display works that have been created in collaboration with the Design Studio “RADE” within the framework of Ventspils state city youth free time spending and active recreation promotion project “Design Workshops”.

During the project, students learned the principles of digital design and using of printing equipment, and spent their time in an active, creative and useful way, improving their skills.

On the opening day of the exhibition, pillows, mugs, thermoses, pads, pencil holders, clocks, lamps, self-sewn shirts, puzzles and other objects will be displayed to visitors, and they will also have a chance to try “RADE” design equipment, making own keychains.

The exhibition will be open for visitors until 6 January 2023.
