

Celebration of the 1st birthday of the VIZIUM Science Center

Foto autors Ventspils zinātnes centrs VIZIUM

Ventspils science center VIZIUM invites city residents and guests to the 1. VIZIUM digital holiday, where we will celebrate VIZIUM's birthday with a rich holiday program and various surprises! The group Citi zēni will present a musical gift to everyone!

Visitors to the event will be offered a variety of free activities and workshops that will take place near the science center building.

DJ Toms Grēviņš will take care of a positive musical mood throughout the day

At the VIZIUM birthday party, there will be something for both young and old to do, so keep an eye on the current information and find out what activities we will delight the holiday guests with!
