“Beach Waterpark” of Ventspils is located near the Blue Flag beach of Ventspils and is laid out as an open-air water amusement park, where visitors can use not only joyful water entertainment facilities and have a good rest, but also stay in fresh air, get nice and natural suntan and listen to sounds of sea. Over time, it has become one of the most popular and favorite recreational objects in Ventspils during the summer season.

The beach water park is open to visitors during the tourist season – from the beginning of June to the end of August (dates are specified as the season begins or ends).

For active recreation the “Beach Waterpark” offers

offers 3 different pools where the water temperature is maintained at about +24° C.

There are towers 8 and 10 m high erected at the pools and furnished with various slides – standard, family, „turbo”, as well as a slide that brings feeling of free falling and rides by using inflatable tubes.

The little visitors can enjoy entertainments made especially for them – “Octopus”, “Boat”, “Frog” and “Mushroom”.

In colder weather, after swimming in the pools, the guests can warm in saunas or bubble baths, where temperature reaches up to +35°C.

Open only during summer season!
