

Flower sculpture ZEMŪDENS PASAULE

Foto autors Ventspils Tūrisma informācijas centra foto arhīvs

Artificially created 2 relief elevations imitating sea waves, between which are placed 2 flower sculptures – fish, the third fish is placed directly on the wave.

Flower sculptures – fish are 2.7-4 m long, 0.75-1.0 m high and 0.6-1.2 m wide.

Around 1050 flower plants were used.

Created in 2004.
