

Kokle-making workshop of Guntis

Niedoliņš

Foto autors Guntis Niedoliņš foto arhīvs

Opportunity to visit the workshop of kokle (Latvian national strummed instrument), monochord, drum, and other musical instruments.

Master-led presentation, "The Story of Kokle".

<http://jurkalneskokles.com/>

The master uses a variety of tree species for stringed musical instruments. While studying each tree species' sound, vibration, and effect on each person individually, applying it to sound therapy.
