Cowparade 2012 participant.

Author: Aigars Bikše

A legend about the secret of success and vitality of Kurzeme residents. Every Midsummer's Night, one should sleep on a Kurzeme blue cow's back, concentrating on the cow and tuning in to reception of divine healing energy. If the act of meditation is successful, one manages to levitate above the cow for a moment and the next year proves to be highly productive in all the aspects.
