

Ventspils regional children's business fair in celebration of the Valentine's Day

Foto autors Ventspils hronikas arhivs

General education schools continue to participate in *Junior Achievement Latvia's* entrepreneurship education programs and invite you to a market dedicated to Valentine's Day. This school year, the range of products created by young entrepreneurs includes beauty products, jewelry, bags, candles, interior items, stationery, wood products, clothes and other products.
