

# Concert programme ZEMĪTIS. KASPARS ZEMĪTIS. 50 REFLECTIONS

On February 14, guitarist Kaspars Zemītis will premiere the concert program ZEMĪTIS at the Music House "Daile" on his birthday. KASPAR ZEMĪTIS. 50 REFLECTIONS, made together with his sons Kārlis, Mārtis Matis and Jēkabs. The concert program will also be performed in the "Latvija" concert hall on February 19 at 16.00.

"Guitar is my love. And I go to the audience to share that love. So many special emotions and events for us are reflected in the light of music! In this program, not only the golden repertoire of my guitar will sound, but also today's inspired music. I am very proud to be able to share the stage with my sons not only in funny conversations about life, but also in music created especially for this program. If we don't get a whole football team, we can throw a fun party, which we plan to do," says Kaspars Zemītis.
