Foto autors: Piejūras kempinga foto arhīvs

Seaside camping is located in the green area of Ventspils, less than 2 km from the city centre and about 800 metres from Ventspils Blue Flag Beach. The campsite borders the Seaside Open-Air Museum and Seaside Park. The Children's Town, the Beach Waterpark, Ventspils University College and several tourist attractions are nearby. The campsite covers 10 ha.

Ventspils Seaside camping offers 4 types of well-equipped camping cottages with different types of equipment and differentiated prices: summer and winter season prices. Seaside camping offers such types of accommodation services as trailer hookups and tent sites with a range of quality service services. The cabins are equipped with heating, so they can also be used as accommodation in winter. Regardless of whether the guests chose to relax in a tent, trailer or cabin, all guests are offered the services of the service building: self-service kitchen and dining room, shower and WC, washing machine and tumble dryer. There is also a sauna recreation complex, parking for vehicles, basketball and volleyball courts, summer shelters for picnics or small get-togethers.
