Foto autors: Rīvas kroga foto arhīvs

The Rīva Pub is located on the Liepāja-Ventspils motorway (P111) by the restored wooden bridge over the River Rīva. It is located about 5 km from the centre of Jūrkalne in the direction towards Liepāja. The window offers a picturesque view of the waterfall of the River Rīva, which is different every season. The pub has food for every taste.
