

# Opening of the plein air exhibition The Tailors of Ventspils

Starting from March 4, House of crafts in cooperation with the photo club "Moments" started an annual project – a photo/video plein air about the professions and skills of today's residents of Ventspils. In the past there have been both cooks and hairdressers, but this year we visited Ventspils scroders. We found out in video interviews what is common and what is different about each of the scroders and their daily work. 9 scroders participate in the project – Agnese Sproģe, Evita Dreimane, Selga Kārklīņa, Linda Skuja, Gunda Baltaisvilks, Dace Busha, Dace Zveja, Santa Dalbe, Agrita Stepanovska.
