

St. Orthodox Church of Saint Nicolay

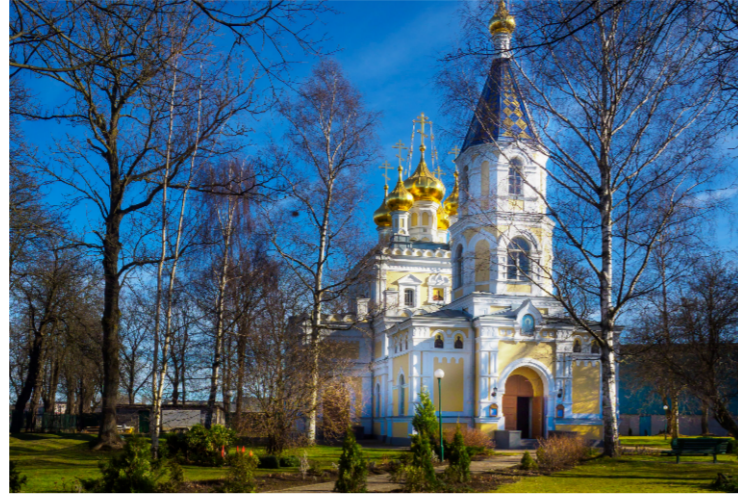

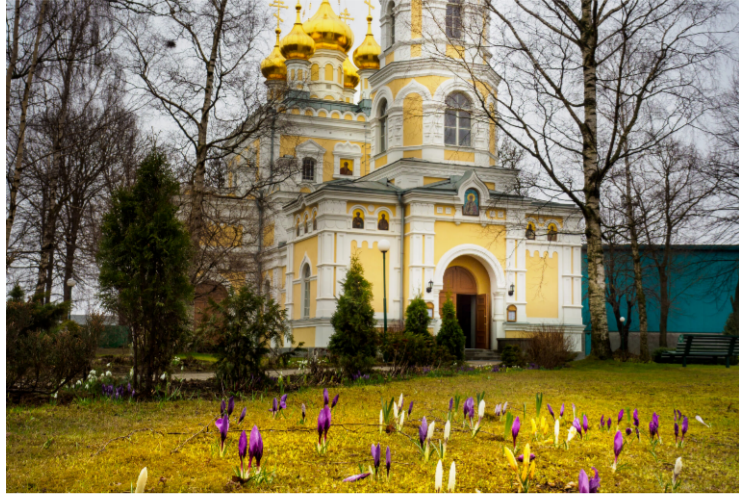

Foto autors Ventspils Sv. Nikolaja pareizticigo baznīcas foto arhīvs

Church was built in 1901 by the architecture traditions of orthodox churches of 17th century – in neo byzantine style with five domes. During World War I (1915-1918) horse stables and fuel warehouse for needs of German army were built here. After long reconstruction works church was opened only in 1927.
