The activity of the Concert Hall "Latvija", the North Kurzeme music, arts and cultural education centre, launched in July 2019. In respect of the local and national context, the repertoire of the new concert hall consist of performances of Latvia's best musicians, as well as by exclusive concerts of foreign artists.

The use of two globally unique musical instruments make the repertoire special.

The concert hall "Latvija" feature an organ, made by the German organ construction company Johannes Klais Orgelbau, and a piano made by Davids Klavins, a Latvian-born piano maker.
