Foto autors: Grillaivas LAIVĀ AR GARŠU foto arhīvs

Summer isn't imaginable without warm evenings on the water with friends and family. Optimally with 7 of your closest friends. We are offering you a unique boating experience on a bowl-shaped boat with a BBQ grill in the center.

The grill works on gas, so you don't have to worry about the smell of smoke, but the quality of the food doesn't change. Just take your picnic basket with all your favourite food for bbq. The trip takes 1-3h. The trip must be arranged in advance! The trip will take place in Ventspils on the river Venta.

Price for the first hour is 35 eur/h
