Restaurant #Mežā is located in the forest area of @Dabalaba Open June, July, August.

#In the forest, food is prepared from clean, local, natural raw materials, without added E-substances. We cook on live fire, in specially built ovens. If meat, then forest meat, we also prepare vegan, vegetarian, gluten-free, lactose-free, etc. food versions.

We bake bread on site! On the menu, for example: forest rasol, vegetable cream soup, deer bouillon soup, burgers, "melt-in-your-mouth cheese", "melt-in-your-mouth venison" and "melt-in-your-mouth vegetable" pizzas, #Forest-made ice cream with zapti, seasonal sweets, brownies with seasonal berries, the refreshing refreshing cocktail "Ancerols" etc. Good coffee and seasonal herbal teas.

In May, September, October, we offer to set up a pre-ordered table in nature on the territory of @Dabalaba or by agreement – in the forest or by the sea. Cakes and festive drinks are also available.
