

APEX Motors Dragrace Challenge to be Held at Ventspils Aerodrome

Ventspils Aerodrome to host new car and motorcycle dragrace – "APEX Motors Dragrace Challenge."

The event will take place from 22 to 23 July at Ventspils Aerodrome.

While the Dragrace Challenge is based on speed and precision, it also includes a variety of exciting activities and opportunities to relax between races.

Participants and spectators will be able to enjoy the atmosphere, take part in competitions and other activities. Together we will enjoy a variety of food and drinks.

We're all about adrenaline-fuelled racing!

We will be thrilled to see cars reach incredible speeds on the aerodrome straight. Maybe even records!

The Dragrace Challenge aims to promote motorsport in Latvia and give you the chance to enjoy adrenaline in a safe environment.

The event will also include the Baltic Cup.

The race will take place over two days.

Regulations are available [HERE](#).

Registration is open until 19 July – [HERE](#).

More information on our Facebook page – [HERE](#).

It will be open to everyone. So you are also welcome to participate or support others in person!
