We offer canoe, sea kayak and SUP (2 pcs. available) rentals for trips on Irbe, Stende, Rinda, Lonaste, Engure.

1, 2 or 3 day routes available. Read and then call, everything is flexible. We take back all boaters, belongings, dogs and adventures. We usually take the straightest route – along the roads of the nature reserve “Swamps and forests of Ance”.

As per abilities and strengths, and wishes, we can combine the route on the lower Irbe, on the middle Irbe or on Stende for a day trip. On the way you can see the Irbene radio telescope. At the mouth of the sea, the River Irbe forms a 2km long sand strip, one of the most beautiful places.
