

In the summer season we invite you to the wake park

During the summer season, both beginners and experts of wakeboarding are welcome in the wake park of Ventspils Adventure Park. It is located on the southern slope of the mountain "Lemberga hute" and provides wakefulness using a 165m long cable system, which is fixed above the water. Wake Park also has floating structures so that wakeboarders can learn and perform more interesting and dynamic tricks. A visit to Wake Park is currently only available with advance reservation by phone: 27370666.
