

Mini ZOO BUKI

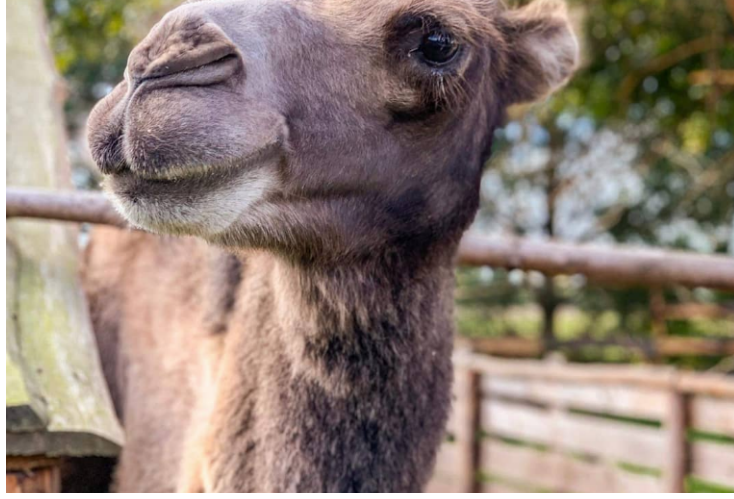

Foto autors Mini ZOO BUKI foto arhīvs

Mini Zoo "Buki" is one of the mini zoos in the Ventspils Municipality where families with children can see animals which are typical for Latvian rural households.

Those who stay overnight in the recreation place "Buki" may visit the zoo free of charge.

Visiting the mini zoo will give you a chance not only to see representatives of different species and families in real life, but also to pet and feed them. Here, you can hear guineafowls and signing donkey Jancis, see the magnificent tail of a peacock, enjoy the softness of alpaca wool, come face to face with a one-humped camel and much more. We guarantee that visiting the zoo and meeting its inhabitants in real life will give you not only positive emotions, but also relaxation and natural joy!
