The competition will take place on July 22 – 23, 2023 at the Ventspils airport.

Although the “Dragrace Challenge” competition is based on speed and accuracy, it also includes various exciting activities and opportunities to relax between races. Competitors and spectators will be able to enjoy the atmosphere of the event, participate in competitions and other activities. We will be able to enjoy various foods and drinks together. We're all about adrenaline-fuelled racing! We will be thrilled to see cars reach incredible speeds on the aerodrome straight. Maybe even records!

The purpose of “Dragrace Challenge” is to promote the development of motor sports in Latvia, as well as to provide an opportunity to enjoy adrenaline in a safe environment. The competition will take place over two days. It will be open to everyone. So you are also welcome to participate or support others in person!
