On Friday, a legend will take the stage on our terrace. DJ Ai-Va is the initiator of Latvian hip-hop parties, the godfather of the dance floor, the founder of the Baltic club rhythm.

This legendary DJ has warmed up and played for Busta Rhymes, Bruno Mars, Wu Tang Clan and countless other world famous artists!

Performed all over the world – Dubai, Ibiza, New York, Toronto, London, Barcelona and we could go on and on!

Let's start this fantastic weekend with a bang!
