

MĀLĒJI

Foto autors: Ventspils Tūrisma informācijas centra foto arhīvs

We offer honey harvested in Ance. Bee families are also transported to the moor, where heather honey is harvested. Heather honey is a unique creation of nature.

We offer:

- Honey (polyfloral honey)
- Heather honey
- Pollen
- Propolis
- Wax candles
- **A wax candle casting workshop is also available**
- Rustic chicken eggs
