LIVONIAN ORDER CASTLE which operates as the Ventspils Museum, invites you to get acquainted with the oldest building in Ventspils and learn new knowledge in the Museum's educational programmes:

- The Art Lesson at the Museum series invites *pre-school, elementary and primary school pupils* to learn about printmaking techniques. What is linocut, screen printing, lithography, etching and ink drawing? Discover the black and white treasures of the Ventspils Art Museum.
- The Nature&History series invites *pre-school and primary school children* to the Museum's pedagogical lesson "When two lizards meet". Here you will learn about the viviparous lizard (*Zootoca vivipara*) and the sand lizard (*Lacerta agilis*). You will look for differences in the appearance and lifestyle of the two lizards. You will imitate lizards in a creative activity.
- In the series "Bay Leaf and Deer Antler Salt", the Livonian Order Castle invites *primary and secondary school pupils and adult groups* to take a journey through the history of cookery books. What is the heritage of Pastor Christoph Harder in the 18th century? Stumbling blocks in reading ancient print and the names of spices. Are you ready to create your own delicious recipe and contribute to the new cookbook of the Ventspils Museum? Take part in the competition "Ventņrecepte 2023/2024".

HOUSE OF CRAFTS is located in the restored oldest school building of the Duchy of Courland, built in the 18th century. The restored building offers visitors a classroom decorated in 19th-century style. By prior arrangement, it is possible to take part in a lesson in the 19th century tradition.

- The Museum's education programme "I am a Friend of the Museum" is offered to *pre-school and primary school pupils* in the House of Crafts. Through games and puzzles, children get to know the Museum's environment – the Ancient School Classroom, the craft workshops and the Exhibition Hall, the Museum's staff and the specifics of the Museum. In order to become a Friend of the Museum, each participant will have to learn the rules of what can and cannot be done in the Museum by solving the tasks in groups. If the tasks are solved correctly, at the end of the class, everyone will receive a "Friend of the Museum" pin. The programme is part of the Latvian School Bag project.
