Foto autors Jeva Romāško

The drum and bagpipe music group “Auļi” was founded in 2003 and is celebrating its 20th anniversary this year – 2023. During these years, Auļi have recorded 11 albums, filmed 33 video clips and played a large number of concerts both in Latvia and abroad, both instrumentally and together with the most popular musicians and singers.

In the anniversary tour concerts, the “Auļi” invite the audience to open the album of memories and collectively delve into the most exciting stories and events of the past 20 years. Throughout each song, videos will be displayed on the screen, featuring galleries and stories, along with special guests, of course. Organised by SIA “Art Management Group”
