On November 18, we invite residents of Ventspils and guests of the city to the celebration of the 105th anniversary of the proclamation of the Republic of Latvia in the Great Square. From 19:00, the legendary group “Jumprava” will perform at the festive concert. After the concert, the chairman of the Ventspils City Council, Jānis Vītolīšs, gave a festive address and a grand fireworks display.

105 years ago, on November 18, 1918, the independent state of Latvia was proclaimed. By declaring the Republic of Latvia, the Latvian people’s right to self-determination was realized. The declaration of the Republic of Latvia gained complete legitimacy after the meeting of the Latvian Constituent Assembly in 1920 and as a result of the process of international recognition of Latvia.

The life story of the “Jumprava” group has been going on for more than three decades. “Jumprava” reached the peak of fame in the late 1980s and early 1990s, when they became teenage idols. The group is characterized by socially active texts combined with the use of modern electronic instruments. The songs created by the group have become symbols of their time – “Peldētājs”, “Baltā”, “Ziemeļmeita”, “Šeit lejā”, “Vēlreiz” and countless others.

May patriotic pride for our country accompany us both during the celebrations and in our everyday lives.

The festive events are supported by the Ventspils State City Municipality.
