

## Free activity “Colourful Sand Games” at the Science Centre VIZIUM

Free activity “Colourful Sand Games” at the Science Centre VIZIUM. Workshop for children aged 4 to 10, where they will work with colourful sand and create unique sand paintings. Other fun activities and experiments to train fine motor skills. As a result, each child will create two colourful pieces of art. The workshop will be organised in collaboration with “Smilšu grauds”. For more information and registration, please visit: [adre.se/krasainasliedienas](https://adre.se/krasainasliedienas).
