

The museum inspires! Morning routine of the small locomotive Mazbānītis.

Foto autors Ventspils Hronika

The museum inspires! Morning routine of the small locomotive Mazbānītis. "Exercising" together with the small locomotive Mazbānītis. Buy a museum ticket, watch and participate as a locomotive over 100 years old is prepared for the day – oiled, loaded with coal and water. With the purchased ticket, you will be able to take the first ride along the Rīķa Line.
