On December 28th and 29th, the World Cup stage in novuss will take place in the city of Ventspils, bringing together the best novuss players from various countries. The Ventspils Novuss Club will be represented in the competition by four participants. Active preparations for this significant sporting event are currently underway. The two-day competition will be held at 8 Užavas Street.

On December 28th, the competition is scheduled to start at 10:15 AM, while on December 29th, it will begin at 9:00 AM.

In celebration of the 50th anniversary of the Ventspils Novuss Club, club members who have been playing novuss for over 30 years and have achieved significant success in national and international competitions will be honored. Novuss is a Latvian national sport that has been played in Latvia since 1927, with the first rules established in 1930.
