

Science Show “Around the World in 20 Minutes” at the Ventspils Science Centre VIZIUM.

Foto autors Ventspils novada foto arhīvs

The lab duo – the curious Žanis and witty Mirdza – will set off on a journey around the world in just 20 minutes by hot air balloon! The adventure will begin on the terrace of the Ventspils Science Centre VIZIUM, where they will start their journey, crossing countries and continents to uncover the wonders of science. Do not miss the opportunity to experience an exciting world tour with two extraordinary travellers and their scientific surprises.
