

## "Little Explorers' Workshop: Toy Creation" for Preschool-Age Children at the VIZIUM Science Center

Preschool-aged children have the opportunity to participate in the "Little Explorers' Workshops," where, through games, play, and engaging in fun activities with cheerful instructors, they can not only have a great time but also develop new skills and gain knowledge.	Ē	Sat, 22.03.2025
In this creative workshop, children will make a toy—a colorful carousel from paper strips. They will explore how airflow and movement affect different objects. The registration form can be found <b>here.</b>		13:00-15:00
